## NOVEMBER 2017 - LETTER FROM THE PRESIDENT

Thank you- McHenry County!

Golden Eagle Community Bank, a full service community bank with locations in Woodstock and Crystal Lake, is celebrating our 10 year anniversary. Since our opening on October 31, 2007, our focus to serve Woodstock, Crystal Lake, and all of McHenry County, has allowed us to be recognized as one of the "Community Banks of Choice" here in McHenry County.

As I reflect back on our first 10 years, my sincerest gratitude goes out to all our customers, business associates, shareholders, friends, neighbors and team members for your continued confidence and support in Golden Eagle Community Bank. Our success is a direct result of you accepting our vision of being a true, "Community Bank".

We remain committed to offering prompt and local decisions with personalized customer service. Our qualified professional team is determined and focused on making your experience with us a positive one. We truly enjoy being a member of your community and not just a provider of banking services.

Together, all of us at Golden Eagle Community Bank look forward to serving you for the next ten years and beyond. Be sure to compare our Checking, Money Market, and Savings deposit rates and fees with your current financial institution.

Golden Eagle Community Bank is "Focused on You".
